JANUARY
2026
EDITION

- *After Hours Emergency Maintenance 770-584-1753.*
- *Maintenance will be moving stoves and refrigerators to get serial numbers, please make sure that the top of refrigerators are free from clutter.*

*A note from our
Executive Director*

As we close out another wonderful year, I want to take a moment to thank each of you for being such an important part of our community. Your participation, energy, and support have made this year truly special, and we are grateful for the opportunity to serve you.

We are so proud of the progress we have made together and the connections we continue to build within our communities. Looking ahead, we are excited for all that next year holds and the opportunities to create even more positive experiences, programs, and events for everyone.

Thank you for being part of our community and for helping make it a welcoming, vibrant, and supportive place to live. Wishing you a joyful and successful year ahead!

Warmest Regards

Ginger Moats

***Towaliga Talk
with Tiffany***

Happy New Year, Towaliga residents! As we welcome January, we look forward to a fresh start and a successful year ahead for our community. This is a great time to set positive goals, stay organized, and work together to keep our neighborhood safe, comfortable, and well-maintained during the winter months.

Please remember to report any maintenance issues promptly, especially concerns related to heating, water leaks, or weather-related damage. Addressing issues early helps prevent bigger problems and ensures everyone stays warm and safe.

Winter weather can also bring slippery walkways and parking areas. We appreciate your help in using caution, keeping common areas clear, and notifying the office if you notice unsafe conditions.

As always, if your income, household composition, or contact information has changed, be sure to notify the office right away so your file stays accurate and up to date.

We appreciate your cooperation and wish all our residents a safe, healthy, and peaceful New Year. We look forward to serving you in 2026!

– **Tiffany Bowden, Housing Manager**

Congrats Mario Copeland!
You are our birthday winner for January.
Please come by the office for your gift.

Tenant Buzz with Belinda

As we welcome the New Year, I would like to thank all of our Barnesville Housing Authority residents for being part of such a caring community. I look forward to another year of serving you and continuing to provide helpful resources. Please remember to notify the office as soon as there is any change to your contact information, including phone numbers or email addresses, so we can keep our records up to date. In the New Year, food pantry opportunities will be available for households in need. If your household is in need of sanitary napkin products, please contact me directly—these items will be available. I am also working on starting an afternoon after-school program for our youth, and more information will be shared soon. As always, feel free to reach out to me if you need assistance or have any questions.

Community Spotlight

The Georgie Fletcher Community Room at Barnesville Housing Authority

We are thrilled to announce that the Georgia Fletcher Community Room renovation is complete! This vibrant space now includes a children’s library, a computer table for adults and students, a gaming area for teenagers, board games, and a food pantry, with a clothing pantry in progress. It is designed to be a hub for learning, play, and community connection, and we are excited to see what new programs and opportunities the coming year will bring for our tenants and their families. We extend our deepest gratitude to the Lamar County School System, Kiwanis Club, Main Street Advisors Insurance, and Brushes & Boxwoods for their generous support, which helped make this vision a reality. Together, we are building a space that strengthens our community and inspires growth for everyone.

January 19, 2026 is Martin Luther King Jr Day

.....
Martin Luther King Jr. Day honors the life, legacy, and lasting impact of Dr. Martin Luther King Jr., a visionary leader of the Civil Rights Movement who dedicated his life to the pursuit of equality, justice, and freedom for all people. Through nonviolent protest, powerful words, and unwavering faith, Dr. King challenged injustice and helped lead the nation toward meaningful change. His leadership played a critical role in the advancement of civil rights, including the passage of landmark legislation such as the Civil Rights Act of 1964 and the Voting Rights Act of 1965.

Dr. King believed deeply in the power of love, unity, and service to transform communities. His message reminds us that progress is made not only through laws, but through everyday actions—treating one another with dignity, standing up for what is right, and serving those in need. Martin Luther King Jr. Day is not only a day of remembrance, but also a call to action, encouraging us to continue his work by building stronger, more inclusive, and compassionate communities for future generations.
