**Did you know?** Nearly half of holiday decoration fires happen because decorations are placed too close to a heat source. It's fun to decorate for the winter holidays, but holiday decorations can increase your risk for a home fire. As you deck the halls this season, be fire smart. Inspect holiday lights each year before you put them up. Throw away light strands with frayed or pinched wires. Water your Christmas tree every day. A dry tree is dangerous because it can catch on fire easily. Consider using battery-operated flameless candles, which can look, smell and feel like real candles. If you do use lit candles, make sure they are in stable holders and place them where they cannot be knocked down easily.

⇒ **REMINDER: ALL DEBTS MUST BE PAID BEFORE THE END OF THE YEAR!**

- It is expected that you will keep the premises neat and clean, both inside and outside.
- Tenants should respect their neighbors and keep noise to a minimum. Between 10:00 p.m. and 7:00 a.m. noise outside should be omitted, and noise inside kept to a minimum.
- All vehicles that are not running must be removed from the premises by the resident.
- Pets must be approved by the Housing Authority and must be in accordance with the Pet Policy.

**\*\*\* Housing Authority staff are not the local police enforcement. We can not stress this enough!! Tenants are instructed to call the police anytime an emergency exists. This includes altercations between neighbors. Then contact your housing manager regarding the situations/disturbances\*\*\***
