### Program Impact

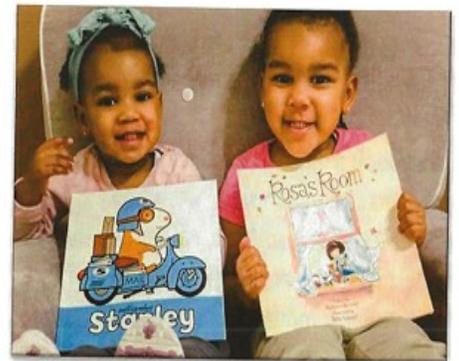

#### School Readiness

A study of ninety pre-k/kindergarten teachers and 800 Ferst Readers' participants found:

- Program participation helps develop the skills children need to be successful in school.
- Children demonstrate better reading behaviors, are much more actively engaged during story time and are better listeners.
- Parents are more engaged in their children's academic progress.

*A child's path to a brighter future is paved with books.™*
