Residents Corner

Please join us in welcoming our new staff member to Jackson Housing Authority.

Jata' Walker is our new Resident Services Representative for Jackson. She is from Washington D.C. and after 9 years in the healthcare industry, she understands community is the foundation of life. With that being said, Mrs. Walker can't wait to meet and work side by side with the residents of our lovely community here in Jackson.

News:

TENANT TALK WITH JATA'

Come join us at 4:00pm on May 18th, 2023 at the Jackson Housing Authority, in the Community Room located at our office, for the Quarterly Tenant Meeting. We will begin the event with Garden Time! We will be creating a flower planter for your porches that you can enjoy all summer long. After we finish this fun filled activity we will move on to a sit down dinner, and then we'll close out the meeting with BINGO! You must RSVP to me no later than May 15th. Jata' is looking forward to meeting everyone and having an afternoon of fun and games!

Please note. We will be updating our phone system this month. We do not have a date set yet, but we do know there will be an interruption in our system. We will post a notice on the door as soon as we have a date and time. Thank you for your patience as we complete this process.
